EDUCATION

The Islamia University of Bahawalpur

Oct 2021-May 2025

- Bachelors in Software Engineering
- CGPA: **3.12** out of **4.00**

EXPERIENCE

I have one year of experience in MERN stack development, with a strong focus on frontend development using React.js. During this time, I developed responsive and user-friendly web interfaces and contributed to the development of a School Finder Web Application built using React.js and Node.js.
